

**NGCP Collaborative Leadership Teams  
Community Meeting  
Chat Transcript, March 14, 2018**

Erin Hogeboom: Welcome and thank you for joining us for the March 2018 Community Meeting--also, happy Pi Day! Please introduce yourself here in the chat, along with your organization and Collaborative. And let us know if you have anything special planned for Pi Day!

Julia Cannell: Julia Cannell from Evergreen Aviation & Space Museum and Oregon Girls Collaborative Project

Tricia Berry - TxGCP: Tricia from Texas. on spring break. in middle of long walk so listening more than typing today

Kerry McLaughlin: Hi all... NY STEAM Girls Collaborative ... missing pie to be with you fine folk! I am going to enjoy a yogurt though!

NANCY GRUVER: Between the national student walkout today and Stephen Hawking dying, it's a significant Pi day!

Kerry McLaughlin: Is there a phone number that i can call into? my speakers are being wonky!

NANCY GRUVER: Hurrah for the Exploratorium!

Leah Henry: Hi all! Leah Henry here from the Children's Creativity Museum in SF. So cool about the Exploratorium!

Casi Herrera: Welcome. For those of you just now joining us, please introduce yourself in the chat box here and let us know what you are doing to celebrate National Pi Day.

Erin Hogeboom: Feel free to type any questions or comments for Nancy here.

Erin Hogeboom: Did any of you find you had a similar experience with traditional expectations of girls when you were growing up/

Erin Hogeboom: 'Meeting at the Crossroads' by Lyn Mikel Brown  
<https://www.amazon.com/Meeting-Crossroads-Lyn-Mikel-Brown/dp/067473182>

Kerry McLaughlin: That's amazing!

Erin Hogeboom: Isn't it, Kerry!!?! So awesome!! Will be fun to see what all the girls you impact will grow up to do!!

Erin Hogeboom: Wow! That's great!!

Erin Hogeboom: New Moon Girls: <https://newmoongirls.com>

Erin Hogeboom: That cartoon is great! I can certainly identify with that!

Kerry McLaughlin: Your magazine is great! What age group is contributing articles and what age group is it more geared to?

Kerry McLaughlin: it looks like around 10-13 maybe?

Julia Cannell: Fantastic! It is great to see this type of outreach to girls. Lol I agree with Erin's thank you!

Erin Hogeboom: Age group is 8-14

Kerry McLaughlin: right on!

Kerry McLaughlin: I know that you included an article from yourself to the girls in one of the issues that you shared. How often do you publish allies in the magazine?

Kerry McLaughlin: Thanks Nancy!

Casi Herrera: We are very excited to be hosting 6 states at the National Leadership Institute

Casi Herrera: West Virginia, Oregon, Washington, Tennessee, Arizona, and New Jersey.

Erin Hogeboom: [ehogeboom@ngcproject.org](mailto:ehogeboom@ngcproject.org)

Casi Herrera: I will mention that we will hold another application session in the Fall for Cohort 2 for Leap into Science. More information to come.

Erin Hogeboom: Thanks for that, Casi!

Tricia Berry - TxGCP: engaging with stem ecosystem in your area...would love to hear what others are doing

Casi Herrera: Great suggestion, Tricia!

Kerry McLaughlin: Thanks everyone!

Casi Herrera: Thank you all for being here. I am going to find some Pi(e)

Leah Henry: Sorry I am drawing a blank on ideas. The speakers are always so awesome! Thanks!

Kerry McLaughlin: happy Wednesday!

Tricia Berry - TxGCP: thx!
