

July Community Meeting

July 18, 2018

Leap
into
science
Engineered by
THE FRANKLIN INSTITUTE

**What movies
have you seen
this summer?**

Agenda

Leap
into
science
Engineered by
THE FRANKLIN INSTITUTE

- Training Updates
- Core Four Toolkit
- Book Selection
- General Updates
- Media Kit
- Reminders
- Questions

Training Updates

Leap
into
science
Engineered by
THE FRANKLIN INSTITUTE

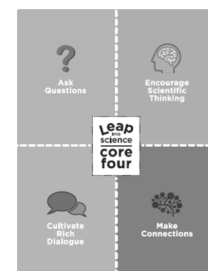

- One thing that went well
- Two suggestions for other trainers
- Overview of follow up plans

Core Four Toolkit

Leap
into
science
Engineered by
THE FRANKLIN INSTITUTE

**What other ways
can we introduce,
model & practice
Core Four in a
Leap training?**

Diverse, Accessible and Inclusive Books

Wind & Air

Book Criteria

- **Accurate depiction of science concepts** – Is the science accurate? Does the book perpetuate scientific misconceptions?
- **Captivating story** – Will the story capture the audience's attention? Is there too much text for a read aloud? Is it age appropriate?
- **Compelling visuals** – Is the scientific phenomenon clearly depicted through the pictures?

General Updates

1. Website walkthrough
2. Stipends

Media Kit

• **Handles & Hashtags:**

- #leapintoscience
- @TheFranklin
- @ngcproject

• **Logos:**
