National Leap into Science Week

An annual, national celebration of Leap into Science for all participating educators, state leaders, and organizations in the network to elevate awareness of science and literacy learning.

#leapweek

- February 25 – March 3, 2019
- National Leap into Science Week – Info Sheet
- Expectations
 - Remind educators to plan programs, complete brief survey, upload into Connectory
 - Attend at least one event
 - Make social media posts with images (*pictures with faces must have permission or be in public spaces, no identifying information*)
 - Tag each other and your organizations to generate momentum

How to participate

- Co-host a program
- Attend a program
- Tell an impact story
- Participate in a tweet chat
- Highlight a previous event on social media

#LeapWeek Example

Celebrating national #leapweek at the Walnut Street West Branch @FreeLibrary with @LeapintoScience, science and literacy programming for children and families in Philadelphia, PA. @TheFranklin @ngcproject @Julia_Skolnik

Evaluation Update

Evaluation
