The vision of the NGCP is to bring together organizations throughout the United States that are committed to informing and encouraging girls to pursue careers in science, technology, engineering, and mathematics (STEM).

Members are both formal and informal educators both in and out of school time

Collectively reaching over 20 million girls with STEM programming

42 States represented in 30 Collaboratives

IMPACT
The NGCP Newsletter reaches over 21,000 contacts.

The graphic features a row of blue silhouettes of people at the top, with rays of light emanating from the center. Below the rays, the word "IMPACT" is written in large, bold, black letters. Underneath, the text "The NGCP Newsletter reaches over 21,000 contacts." is displayed. At the bottom, there is a row of black silhouettes of people.
