NATIONAL GIRLS COLLABORATIVE PROJECT

Leadership

- Regional hub model works well
- Champions Boards still play a role
- Project-based leadership roles
- Perhaps Collaborative Leads or Leadership Teams could host or co-host monthly meetings

Remaining question:

- What role will Collaborative Leads play on the national stage in the future?

NATIONAL GIRLS COLLABORATIVE PROJECT

Culture and Values

- In general, NGC vision and goals aligned with organizational goals, age focus varied
- Idea of a 'Get Rid of the Guilt' Campaign
- Platforms used to share information
- Consider focusing on younger girls
- Navigating NGCP's role in this political environment

NATIONAL GIRLS COLLABORATIVE PROJECT

Sustainability

- State Collaborative fees generally accepted
- Strong Leadership Teams
- Most Collaborative Leads at capacity
- More cross-state communication
- NGCP using influence in new ways – determining where we are in the 'tipping point' for gender equity in STEM
